Description: Three siblings, Moko & Miki (tabby and white males) and ... wait for it ... wait for it ... Megalamandira (Dira for short, female spotted tabby with slight ginger around nose), are looking for their forever homes. They're around 9 to 10 weeks old, full of beans, pretty bombproof, fun, friendly furrsters. Will tackle and destroy any creature up to a fair sized moth. Not afraid of spiders.
